**LifePointe's Family Camp 2010**  
July 30 - July 31  
Starts At 3 PM  
Tower Park KOA Campground

Join in the fun and fellowship this year at Family Camp! We will be camping at the Stockton Tower Park KOA. This campground is close to home and will be fun for the whole family. The campground is located right off the Delta, so we will be able to have some fun in the water. For those that are not interested in water sports the campground provides a beautiful park like setting with a playground, a jumping pillow, a gated swimming pool, a dog park and lots of green grassy area for playing. Tower Park also has nice clean bathrooms, a general store, a restaurant, and a marina. Tower Park offers cabins and trailers for rent.

If you are interested in a rental of this kind you can call the park directly and tell them you are with the LifePointe group, but please let us know. You can still participate in the activities and meals with the group! If you have never been camping before this is the easiest camping you will ever do. If you are a camper you will enjoy not having to bring the food and kitchen equipment. Everyone will help in the kitchen with one meal during the campout and all kitchen equipment and food will be supplied! The cost of the outing will depend on the family size, ages and equipment requirements. We have a limited number of sites reserved, so sign up quickly. On the registration form you will find the cost of the campsites according to equipment, and the cost of the food per person.
