

WELCOME WJU!

As an exceptional Christian college in Sacramento, CA, William Jessup University (WJU) seeks to develop the whole person by developing skills in communication, quantitative reasoning, and critical thinking and by exposing students to a broad cross-section of knowledge in science, social science, and the humanities. WJU offers undergraduate, graduate, and professional studies programs, as well as online studies.

LifePointe is a partner of William Jessup and supports it's mission to offer a high-quality, Christian-based education close to home. Due to this partnership, LifePointe members have the opportunity to apply for scholarships to attend WJU.

Dr. John Richert, Biology Department Chair at WJU, presents today's sermon. John has a Ph.D. in Marine Ecology from UC Davis. After getting his Ph.D., John followed God's calling into full-time pastoral ministry and he completed a M.A. in Ministry and Leadership. Recently, John stepped out of pastoral ministry to join WJU full time. We also welcome Jon Quezon and the WJU chapel band, as well as Josiah Delgado, a long-time LifePointe member and current WJU student who will be participating in today's services.
